

Dear Friends,

I am encouraged in the amount of viewers that have been watching the program that we have posted on the Internet "word of the Lord pt1" I am also astonished on how fast this word is coming to past. I am reminded of the word God gave Jeremiah in chapter 1:12 where he said I will hasten my word to perform it. People are hungry for a now word, even as the scriptures says, "man cannot live on bread alone but every word that proceeds out of the mouth of God". God still speaks today.

The word of the Lord for 2010 pt1, spoke about open doors of opportunity and grace, and boy have we seen the need of Gods grace in what has been happening in Haiti. The open doors of opportunity spoke about the political realm, ministerial, business, and too much to fit into this email. So I encourage you if you have not viewed it, to get in on the blessing. It is actually had more viewer response then the very popular program I did "freedom from cruelty". Good news is word of the lord for 2010 pt2 is also now on our website. It is a continuation of pt1 in tilted Windows of escape and doors of opportunity. A must for all who want to take advantage of God given opportunities. I believe we have an opportunity to minister to the love of God through the situation in Haiti. Our first shipment of supplies is leaving our Umatilla Location next Tuesday to head in that direction. These supplies will be distributed through the Red Cross and other humanitarian locations.

We are working on putting together other supplies that we plan on getting to the missionaries in Haiti. But, even just as importantly the missionaries need our financial support and we at Heartland are doing everything in our God given power to see that happen. At our thrift store in Umatilla we are having what we are calling a Helping Haiti Sale. Where we are giving customers 20% off and pledging 50% of what comes in to Haiti, leaving only 30% for the store to operate on. We are hoping to be able to do this until the end of 2010 if possible, so please continue to pray in the costumers and supplies. You can see more about some of out intentions concerning this on the programs entitled Haiti update 1 & Haiti update 2.

Another program that has been getting a lot of traffic is entitled "set for success" a very important one especially at this time of year. Biblical prosperity 1 & 2 will enhance the above listed programs. In the weeks to come I will expound upon the programs that we are airing from the other ministers. They are all good and they will all bless you. And by the way I might add, each of those ministers support this ministry along with others that we will be introducing and working with us in disaster relief projects that the Lord puts on our hearts.

The contribution statements have been sent out to all those who have supported this ministry in 2009, thank you for your support, please keep it coming and expect to be blessed. For those of you that are new and have not yet had a chance to financially support this ministry, please prayerfully consider becoming a regular partner beginning now, by going to our donation page and putting a gift through your PayPal account or calling our 24 hr prayer line 352-461-9351 and putting a gift on your card that way. In fact as we are sending this we are getting notices from PayPal of people doing just that.

We had a powerful service in Melbourne this past week and I will be back ministering in Melbourne Sunday January 31st, this Sunday in Umatilla. Those of you who are coming to our Saturday February 6th ministry buffet please RSVP. I have a word of the Lord that I will be sharing along with Pastor Obie Jones of Wells of Salvation who is ordained with us and he and his precious wife Karen have been in relationship with us since 1989. You can meet him by viewing his program on the Heartland broadcasting network, Go to Heartlandglobal.org or Pastorjohndalesio.org and click heartland broadcasting network for the programs listed.

Love and appreciate you all, feel free to forward this email to whomever you feel it will help. Looking forward to seeing and hearing from you soon.

In His service & yours

Pastor John
