

HEARTLAND CHRISTIAN CENTER NEWSLETTER

Pastor John D'Alesio

Dear Friend,

This past Saturday God gave me powerful word of the Lord that applies to individuals, America, and the Nations as a whole (Freedom from the Leviathan Spirit). We will be posting it on our website soon, spread the word and keep an eye open for it.

Everyone in attendance was extremely blessed and is a word for such a time as this. In the meantime enjoy all the other programs that are posted on the website via heartland broadcasting network at heartlandglobal.org.

On another note we want to welcome the new subscribers to our email/newsletter list and we are honored with the wonderful visitors that have been attending the services. I will be preaching back in Cocoa this Sunday November 14th 2pm (at the Econo Lodge off US1). This Saturday Pastor Bob will be preaching, he is also the principle of Alee Academy. We will begin serving food at 5pm, please come early. We will also be giving away a special antique dining room table and chairs.

Prayerfully consider sowing a special seed this month to this ministry as we continue to grow. Our immediate special needs are laptops and desk computers. It is also time for us to upgrade some cell phones and maintenance on the vehicles. I appreciate your consideration and thank you in advance. Gifts can be called into our prayerline and put on your credit card 352-461-9351 or you can tuck a check a check into the mail to Heartland Christian Center PO Box 680307 Orlando FL 32868 or you can go through the secure donation page on our website and give through PayPal. A couple of scriptures that I want you to stand on: Proverbs 3:9-10 Proverbs 11:24-25 Luke 6:38 and Ephesians 6:8.

With much appreciation,
Pastor John
