

Heartland Christian Center
Pastor John D'Alesio
May 2010

At our January buffet I shared with those in attendance the word of the Lord for the next couple of years. We posted it on our website and we are amazed at the multitudes who went to our website and are watching the broadcast's entitled "Prophetic word of the Lord for 2010 pt 1 & pt2. At our June 12th buffet in Umatilla FL, I will be sharing and recording pt3. To be honest with you we at Heartland are humbled on how many are interested in what we have to say. I did feel bad however that the quality originally was not up to our standards. Mainly because we were using the wrong software, but because of so much interest, we decided to post it again using the proper software. We decided to leave both posted on our website, the one posted in January and the one posted in May, for two reasons: #1 we want people to see we did not change the word (content), only the quality. Another reason we are leaving both posted is because those who do not have high speed access may have a harder time viewing the better quality, giving them a choice to watch the one that works better for their situation.

With that said and done I want to encourage you to either watch it, watch it again and forward this to whoever you can giving them an opportunity to get in on the blessings. When God gives a prophetic word to his servants, they carry a lot of weight, the clock is ticking. November will be here before you know it and I pray that multitudes will go to the polls making educated and Godly choices. I believe 2010 is a year of open door of opportunity and grace. I am concerned for our brothers & sisters who make voting decisions based on anything else but biblical. I feel if they don't repent and do the right thing they will be experiencing tremendous difficulties in 2011 and on. The Lord is fixing to set some down and set some up in the political and ministry realm. There will be a changing of the guard and a transfer of wealth. I do not want anyone to miss it. I feel that anyone who calls themselves a Christian should vote for those who's belief's line up the most with the word of God. When we don't elections have consequences. It is my belief that when we have a choice we should not vote for those who stand for abortion, & partial birth abortion and want to help finance it with our tax money. I strongly feel and am very concerned for the preachers who have endorsed such candidates and encourage their congregations to vote for those candidates. I believe that when given a choice those who profess to be Christians should not vote for those who support gay

marriage. I am strongly concerned for those preachers who support and endorse politicians who do.

I believe those of us who profess to be Christians, when given an opportunity should vote for those who support "The Ten Commandments", "Prayer in School", "Leaving Christ in Christmas", "Leaving God in God Bless America", "Standing for the constitution of The United States" ect.. I am appalled at the preachers who have endorsed, supported and encouraged their parishioners to vote for those who believe otherwise. The list goes on and on and on. For one example, those of us as believers should know the word of God tells us that Israel has a very special place in the heart of God. Psalms 122: 6 "Pray for the peace of Jerusalem, they shall prosper that love thee" Genesis 12:3 " I will bless them that bless thee, and curse him that curseth thee, and in thee shall all the families of the earth be blessed" Zachariah 2:8 says " touch not the apple of His eye". To me that effects our provision and protection. It is amazing to me that we have been seeing things happen that are hurting our provision and our protection.

Saints the list goes on, bottom line Psalms 121:4 " Behold, he that keepeth Israel shall neither slumber nor sleep". I hope that I am making it clear that I am concerned for the well being of Gods people who have been lead astray by preachers who endorse wrong politicians. Lets forgive them, pray for them and remember compromise is the first step to loosing the anointing. For those of you who can make the June 12th Buffet in Umatilla FL RSVP now, I will share more then. Also pray for my trip to New Jersey, Pastor Milliard & Cheryl Shoals will be conducting the servce in Cocoa FL Sunday June 6th 2:30pm. I am looking forward to being back at the following FL locations with prophetic and healing ministry services: Daytona Beach Sunday June 13th 2:30pm & Thursday June 17th 7pm, Cocoa FL Friday June 18th, Umatilla Saturday June 19th 6pm for prayer and praise, and Please have a safe and blessed "Happy Fathers Day June 20th".

Please spread the word about the meetings and forward this email to as many as you can. I believe that if they take heed your efforts will be a tremendous blessing to them.

Thanks again
